News Release

For Immediate Release: February 20, 2019

Water service shutdown extended to 7 a.m. for Ele'ele area

5:20 A.M. ELE'ELE - The water service shutdown for customers located on Waialo Road, Okupu Street, Olali Street, Manawanui Court, Mana Olana Court, Harbor Access Road and Ala Uka Street in Ele'ele has been extended until approximately 7 a.m. this morning, due to additional work required to complete the new connection of a 12-inch bypass water line for the Ele'ele water system.

The Department of Water (DOW)'s contractor, Good Fellow Bros Inc. and crews continue to work onsite to complete the required water line work along Waialo Road in Ele'ele.

A trailer-mounted water tank containing potable water is available to affected customers and is located on Okupu Street. Customers are asked to bring their own water containers to fill, if needed.

An update will be provided if new information is received. To monitor updates online, visit www.facebook.com/KauaiDOW.
